ROLL-TOP CARRY-ALL

2262: Roll-Top Carry-All – Large

The Harken Roll-Top Carry-All combines the simplicity of shopping bag with the trusted performance of a dry bag. The convertible roll-top sleeve stows neatly inside the bag while allowing easy access to contents. The sleeve creates a watertight barrier that protects gear in the main compartment when in use, while additional water-resistant pockets organize smaller items. Shoulder straps and carrying handles make travel easy.

MATERIALS

Waterproof TPU-coated nylon (PVC-free).

FEATURES

- Stowable, convertible roll-top closure provides a watertight seal.
- Stitch-free waterproof construction.
- Welded accessory pocket with water-resistant zipper.
- Reinforced grab handles and adjustable shoulder strap.
- Webbing loops to attach extra gear.
- YKK zippers.
