ROLL-TOP BAG

2260: Roll-Top Bag

The Harken Roll-Top Bag keeps gear dry in a large watertight main compartment and water-resistant accessory pockets.

MATERIALS

Waterproof TPU-coated nylon (PVC-free), ripstop nylon, stretch mesh

FEATURES

- Convertible roll-top closure provides a watertight seal and stows away when not in use.
- Stitch-free waterproof construction.
- Welded accessory pocket with water-resistant zipper.
- Dual mesh side pockets for water bottles, shoes, and other gear.
- Straps can be worn on shoulder or carried by hand.
