SPECTRUM SAILING GLOVE

2086: Spectrum – 3/4 Finger

Designed for active line handling, this low-profile, lightweight, flexible design reduces bulk and fatigue on hands.

MATERIALS

Palm: High Durability Black Magic[®] palm material.

Backhand: Breathable quick-dry stretch fabric.

FEATURES

- Available in blue, pink, and high-visibility green.
- High-durability Black Magic[®] palm material and finger wraps provide the highest level of abrasion resistance, protection, and durability.
- Durable Black Magic[®] finger wraps reduce seam bulk and increase dexterity.
- Mesh vents at base of fingers provide a cool, custom fit.
- Low-profile watch cutout.
- Pull-on tab for easy on and off.
- Reinforced fingertips.
